Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Thursday 30 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy outbreaks of rain overnight. Sunshine and showers on Friday.

This Evening and Tonight:
Staying largely cloudy this evening with outbreaks of rain. Overnight, it will stay cloudy with further heavy rain developing at times, though clearing eastwards by the end of the night. Blustery along the coast. Minimum temperature 11 deg C (52 deg F).

Friday:
A day of sunshine and scattered showers, some locally heavy and possibly thundery and with some hail. Feeling cooler than previous days. Coastal gales persist. Maximum temperature 14 deg C (57 deg F).

Outlook for Saturday to Monday:
An unsettled weekend, with showers and strong winds and potentially coastal gales. Winds ease across the region slightly by Monday, with sunny spells and showers.
